

The Why

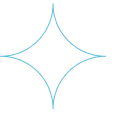

Our vision of fostering a community investment in a superior education for the children of Sanger coupled with our goal of building strong community support for public education, the why becomes very clear. To partner and support SEF Programs provides a means to meet students growing educational needs through many current and future innovative programs. Programs that provide students an opportunity to shine and reach their full potential. But only with you and your support.

Sanger ISD Programs
1:1 student technology ratio
